Reference Letter  
For  
Denine Thingvold

Recently, my Sister in law passed away. She had named Denine Thingvold as her Executrix.

This experience has proved to be 100% positive! Denine was able to organize and provide us with a clear Spreadsheet listing the estate assets as well as the steps she would be taking to move the estate towards probate and settlement.

Denine is extremely dependable, thorough, efficient, knowledgeable and very personable. She has kept us updated every step of the way and is an excellent communicator. She has kept estate bills paid and current and has been able to keep the entire process simple and progressing. She was able to guide us and refer us to other professionals for tax filings, real estate dealings.

I highly recommend Denine Thingvold to you and your family.

Sincerely,

Vern Hyde, CFP, CFDS, CFSB
